Concept #2: Mini Marketeer
“Show in a Box”

The Mini Marketeer is a mobile “Show in a Box” intended for a vehicle with 1,000 lb tow capacity. The display has a crank system that manually lifts the display out of the box and into show mode. This display is ideal for any event and is easily transportable.

Basics:

- Size: Packs to roughly 4’L x 4’W x 4’T
- Weight: Approx. 750lbs (without displays)

Set-Up:

- Footprint (without tow vehicle):
 - With Awning: 8’L x 8’D x 9’T
 - Without Awning: 6’L x 6’D x 7’T
- Labor: 1 person, approximately 1/2 hour
- No Equipment Needed

Includes:

- Crank Up Display Cube
- Custom Manufactured Aluminum Structure
- Manual Stabilizing Jacks
- Removable Tongue / Coupler
- Hinged Aluminum Wing Wall Sections
- Custom Awning Frame
- Custom (single color) Awning
- Single Color Trim Paint
- Full Interior and Exterior graphics, Including Spot Display Graphics

Does not include:

- Tow Vehicle
- Interior Build Out or Displays
- Power
- Electronics
